# Difference-provision: Calculation of commission level

Your commission level results from the accumulated turnover of your investments and the investments of your Downline

The more you invest yourself, the bigger will be the difference to your first line.

**Attention:** If someone in your Downline purchases the first package before you have purchased your own, you **won't get** any provision on the first 100 €.

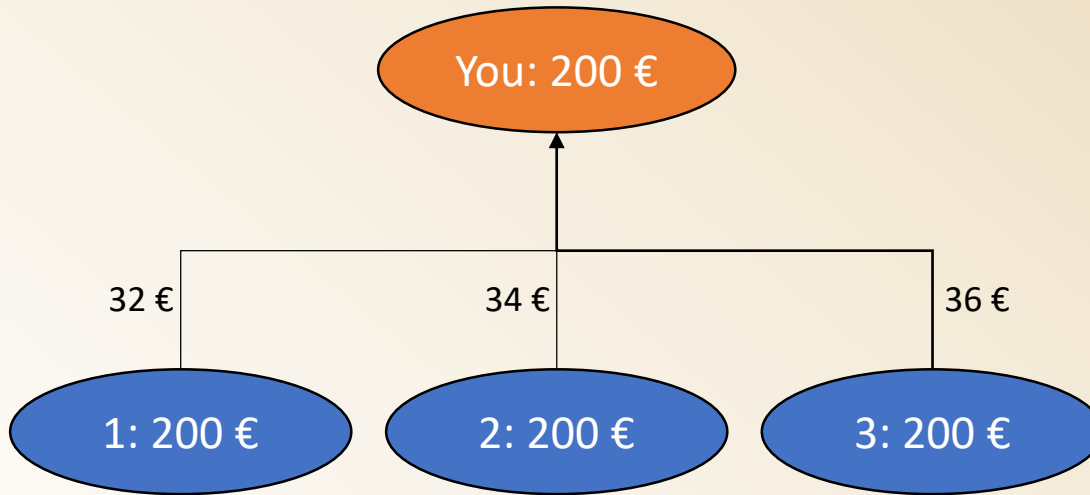

# Difference-provision: Amplitude increases the level

With the expansion of the amplitude the value of your work increases. Since you will never lose your commission level, the work once done retains its value.

## Recommendations increase the provision level

You recommend the UNISON COIN to three persons. All of them purchase a package of 200 €. Each time a package is purchased your commission level increases. Therefore also the commissions increases. With other words, the value of your work increases.

	Revenue Downline	Level	Provision on 200 €
	0-100 €	0 %	0 €
	100-200 €	15 %	15 €
1:	<b>200-400 €</b>	<b>16 %</b>	<b>32 €</b>
2:	<b>400-600 €</b>	<b>17 %</b>	<b>34 €</b>
3:	<b>600-800 €</b>	<b>18 %</b>	<b>36 €</b>
	800-1.000 €	19 %	38 €

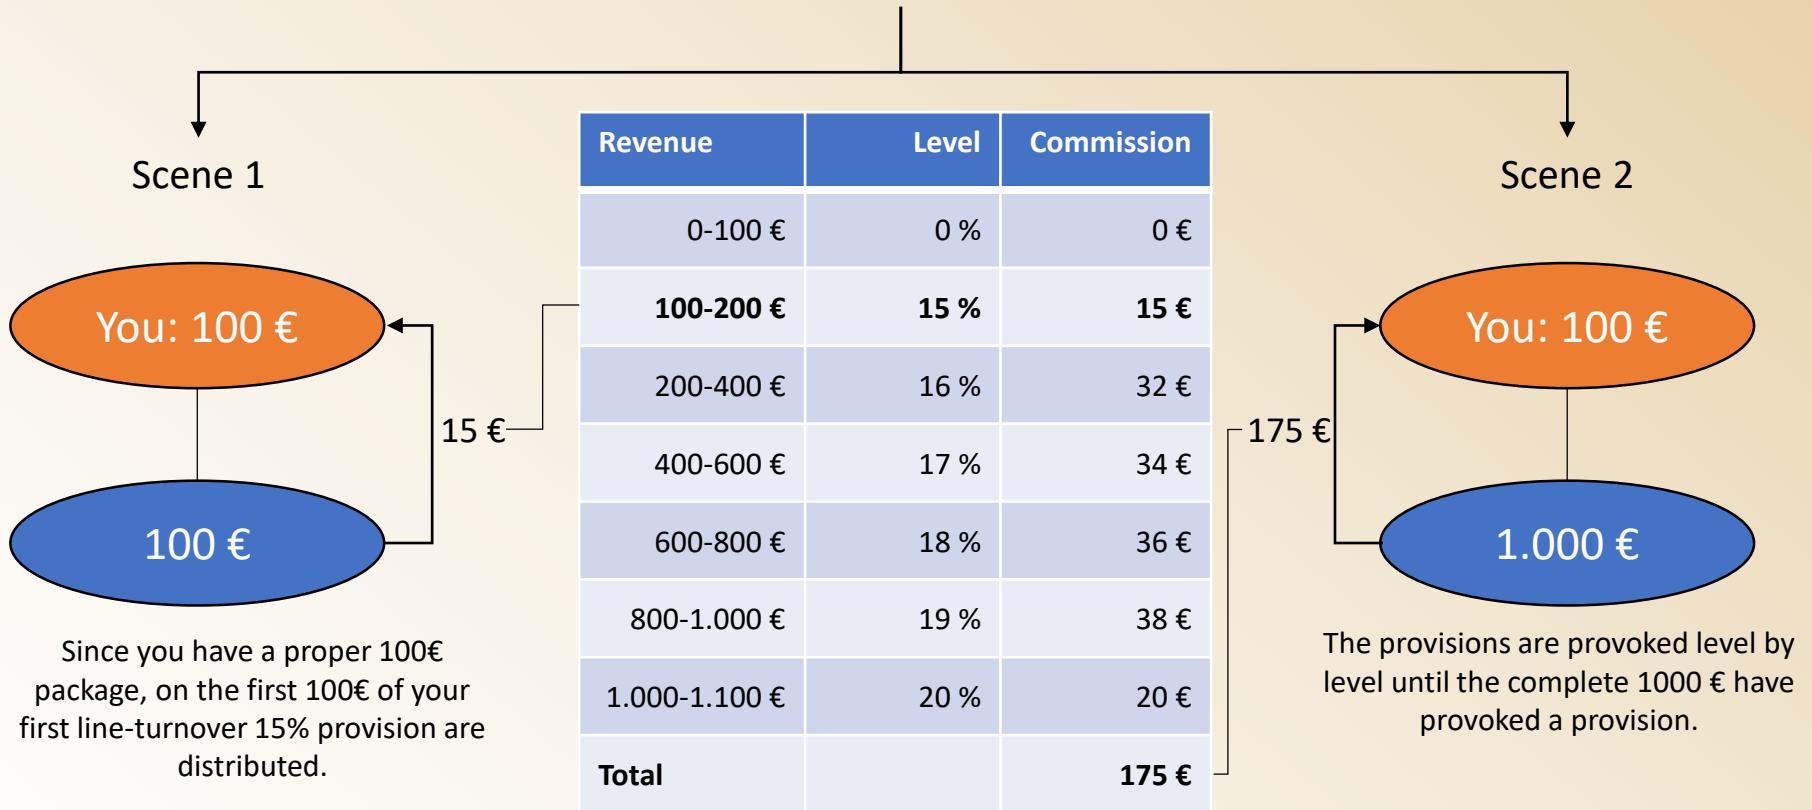

# Difference-provision: Calculation of the provision

For each € of your Downline revenue you receive the according commission. It doesn't matter which package was purchased, crucial is the commission level.

Provision on your first package which was purchased in the Downline.

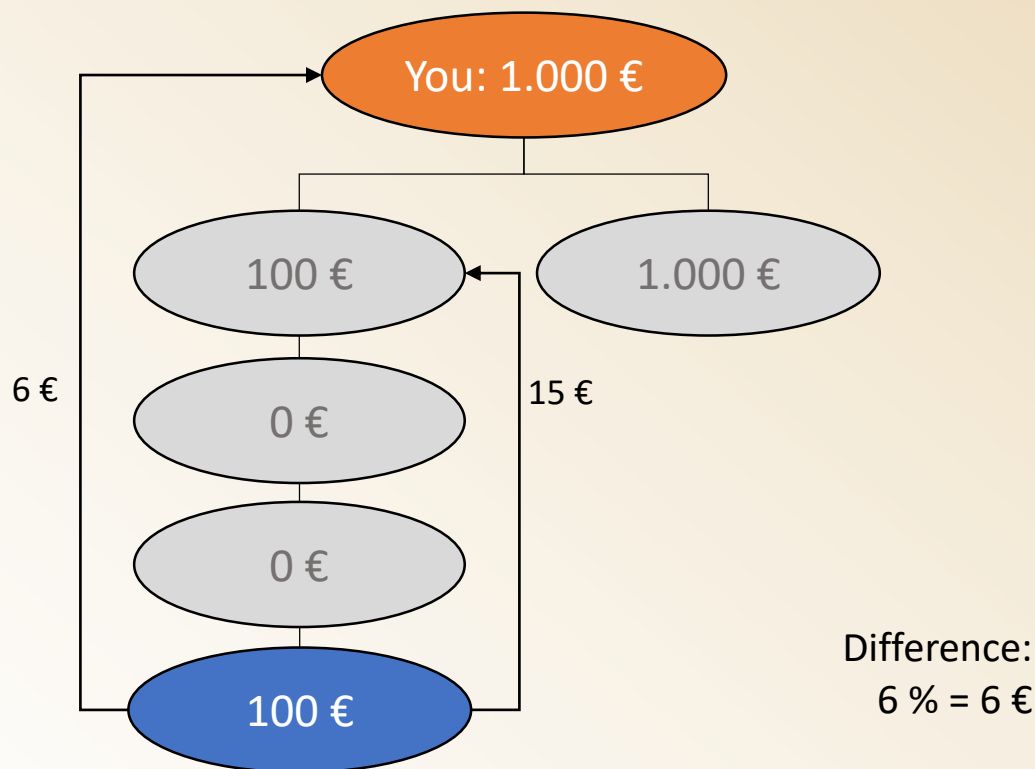

# Difference-provision: Provision from the depth

You receive commissions from an unlimited depth. Crucial for the part of your commission is the difference between your provision level and the respective first line.

In Level 4 a 100 € package is purchased

On the fourth level a 100 € package is purchased. According to the provision plan the one from level 2 who did the recommendation receives 15% provision on the first 100 € revenue of his Downline. You will get the difference of 6%.

# Potential earning IV: Token-bonus

With the token-bonus you receive additional token on your account.

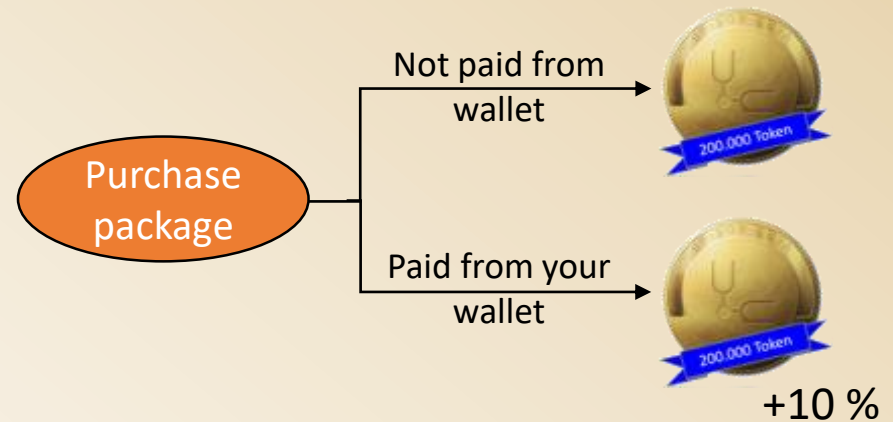

There are two possibilities to get the token-bonus a) Commercial package or b) Reinvestment

## a) Commercial package

For the recommendation of a commercial client\* you will receive the same amount of token as the purchaser of the commercial package.

## b) Reinvestment

If you pay your package purchase with money from your wallet (provision and bonus) you will get additional 10% of token credited.

\*Commercial clients: Businesses which are registered with the trade register and accept the UNISON COIN as means of payment. Furthermore commercial clients oblige themselves to communicate this online and if possible also on the shop entrance. UNISON COIN provides for this reason information material (sticker, buttons, etc.).
